QUEEN OF AFRO FUSION

Princess Wonda aka 'Queen of Afro Fusion' is a U.K. born Nigerian vocalist and entertainer. Princess Wonda released her debut album 'Fantasy Fair' on 29th October 2021, featuring sounds across Africa including Congolese legend Awilo Longomba, Iba Banton and many more.

The album has also charted in the UK at #27 across all genres on iTunes. Her most recent achievements were having her song Bust My Mind being licensed on the hit series "Harlem" on Amazon Prime Video. She also toured in Texas USA, performing at various festivals and headlined the Afro Summer Jam in Switzerland in 2022.

The superstar continued her Album World Tour covering Africa in August and ended the year on a high with her own SOLD OUT headline show at Omeara London on 16th October 2022.

"MY BODY"

Back with her first single of 2023, Princess Wonda is packing a punch with the classic Afrobeat love song called "My Body".

The direction of this song moves around playful sensuality and the wholesome confidence women have the power to possess over their own mind and body.

The track was produced by Mr Marz and mixed/mastered by Xtraordinaire. He is responsible for works from Phyno, P-Square, Runtown and more.

Princess Wonda is scheduled to release a music video for the single later this spring.
